Предисловие / Preface

Поздравляем с достижением уровня B1!

Это означает, что вы уже можете понимать основную мысль в текстах на знакомые темы и справляться с большинством ситуаций, которые могут возникнуть в путешествии или работе. Теперь ваша задача — выйти на следующий уровень.

ЧТО ВЫ ОСВОИТЕ В ЭТОМ КУРСЕ

- Сложные грамматические конструкции: Present Perfect vs Past Simple, условные предложения, пассивный залог
- Академический и профессиональный словарный запас
- Навыки написания эссе и формальных писем
- Стратегии чтения аутентичных текстов
- Работа с идиомами и фразовыми глаголами

КАК РАБОТАТЬ С УЧЕБНИКОМ

Каждый модуль начинается с раздела "Lead-in", который активизирует ваши предыдущие знания. Затем следует теоретический блок на английском языке с объяснениями на русском. Уделяйте особое внимание разделу "Common Errors" — это ошибки, которые делают большинство студентов на вашем уровне.

UNIT 1**Past Experiences and Life Events***Прошлый опыт и события жизни***Learning Objectives / Цели обучения**

- ❑ Contrast Present Perfect and Past Simple
- ❑ Describe life experiences using "ever" and "never"
- ❑ Talk about recent events and news
- ❑ Use time expressions correctly

Grammar / Грамматика

1. Present Perfect vs Past Simple

The Present Perfect (have/has + past participle) links the past to the present — it is used when the exact time is unknown, unimportant, or the action still has a present connection. The Past Simple is used for completed actions at a specific past time.

RU:

Present Perfect (have/has + причастие прошедшего времени) связывает прошлое с настоящим. Используется когда: (1) точное время неизвестно; (2) действие завершилось недавно; (3) результат важен сейчас. Past Simple — для завершённых действий в конкретный момент прошлого.

Form / Structure

Present Perfect: Subject + have/has + Past Participle

Past Simple: Subject + Past Simple form (regular: +ed)

PP time markers: ever, never, just, already, yet, recently, since, for

PS time markers: yesterday, last week, in 2020, ago, when I was young

Examples / Примеры

- ❑ I have visited London. (experience — no specific time)
- ❑ I visited London in 2019. (specific time)
- ❑ Have you ever eaten sushi? — Yes, I have. / No, I've never eaten it.
- ❑ She has just finished her homework. (just = a moment ago)
- ❑ I haven't seen that film yet. (yet = up to now)

Common Errors / Типичные ошибки

- ❑ Did you ever try sushi? ❑ Have you ever tried sushi?
- ❑ I have seen him yesterday. ❑ I saw him yesterday.
- ❑ She has went to the shops. ❑ She has gone to the shops.

2. Irregular Verbs — Key Groups

Many common English verbs do not follow the regular -ed pattern in the past. They must be learned individually. Here are the most important groups.

RU:

Многие распространённые глаголы образуют прошедшее время нестандартно — они называются неправильными глаголами (irregular verbs). Их нужно учить наизусть. Основные группы: одинаковые формы (put-put-put), изменяется гласная (sing-sang-sung), полностью разные (go-went-gone).

Form / Structure

Group 1 — All forms same: cut/cut/cut, put/put/put, let/let/let

Group 2 — A/U/U pattern: sing/sang/sung, ring/rang/rung, swim/swam/swum

Group 3 — Irregular: go/went/gone, be/was-were/been, have/had/had

Group 4 — Regular Past, irregular PP: pay/paid/paid, say/said/said

Examples / Примеры

- ❓ I have never swum in the ocean. (swim → swam → swum)
- ❓ She went to Paris last summer. (go → went → gone)
- ❓ Have you written your essay yet? (write → wrote → written)

Reading / Чтение

My Journey to English Fluency

I have been studying English for seven years. When I first started, I could barely say "hello." Now I can read novels, watch films, and hold conversations with native speakers. But the journey has not been easy.

I started learning English at secondary school in Karaganda. My first teacher, Mrs Akhmetova, was very strict but incredibly effective. She insisted that we speak only English in class, which was terrifying at first. I remember feeling embarrassed every time I made a mistake. However, she always encouraged us: "Mistakes are not failures — they are learning opportunities."

At university, I joined an English conversation club. This was a turning point. For the first time, I was practicing English for fun — not just for exams. We discussed films, books, current events, and our personal experiences. My confidence improved dramatically.

Two years ago, I got the opportunity to attend an international conference in Almaty. Several presentations were in English. I was nervous, but I understood most of what the speakers said. When it was my turn to ask a question, I stood up and asked it in English. The presenter smiled and gave me a detailed answer. I felt incredibly proud.

I have not yet reached the level I want. My listening comprehension is still weak, and I sometimes struggle with complex academic texts. But I have made progress. I have set a goal to achieve C1 level by the end of next year.

If you are reading this and feeling discouraged, remember: every language learner has moments of doubt. What matters is that you carry on.

Cultural Note / Культурная заметка

British people often use understatement — saying less than they mean. "Not bad" usually means "very good." "I'm quite tired" might mean "I'm exhausted." "It was interesting" at a party could mean "it was terrible." Learning to read between the lines is an important skill for communicating with British English speakers.

RU:

Британцы знамениты своим преуменьшением (understatement). "Not bad" = "очень хорошо". "I'm a bit tired" = "я абсолютно измотан". "It was quite interesting" на вечеринке = "было скучно". Это важно знать, чтобы правильно понимать британцев.

Study Tips for A2 Pre-Intermediate

30 минут каждый день > 5 часов раз в неделю

Daily 30-min sessions beat a single 5-hour session. Your brain needs regular exposure to build new language pathways.

Активное использование

Don't just consume English — produce it. Speak aloud, write sentences, explain grammar rules. Active use accelerates acquisition.

Ошибки — часть обучения

Every mistake is data. When corrected, you remember the right form better. Never be afraid to make errors.

Spaced repetition

Review new words after 1 day, 3 days, 7 days, 14 days. Use KHAMADI ENGLISH flashcards for this automatically.

Читайте на уровень выше

Choose texts slightly above your level — challenging enough to learn from, but not so hard you understand nothing.
